

# COVID-19 Informed Consent

Before your upcoming appointment we require you read and acknowledge the information below about increased risk of coronavirus transmission in dental settings. Please reply with your full first and last name. If consenting for a minor or dependent please write their first and last names as well as your own.

The World Health Organization has characterized the COVID-19 virus, also known as "Coronavirus," as a pandemic. Our practice wants to ensure you are aware of the risks of exposure to COVID-19 associated with receiving treatment during this pandemic.

COVID-19 is highly contagious and has a long incubation period. You or your healthcare providers may have the virus, not show symptoms and yet still be highly contagious. COVID-19 can result in a life-threatening respiratory disease in some patients. You may be exposed to COVID-19 at any time or in any place. Due to the frequency and timing of visits by other dental patients, the characteristics of the virus, and the characteristics of dental procedures, there is an elevated risk of you contracting the virus simply by being in a dental office.

Dental procedures can create fine water spray or "aerosols" which may remain in the air for several minutes to hours. These aerosols may contain the COVID-19 virus and may create a risk of COVID-19 exposure. You cannot wear a protective mask over your mouth to reduce exposure during treatment as your healthcare providers need access to your mouth to render care. This leaves you vulnerable to COVID-19 transmission while receiving dental treatment.

To provide a safe environment for our patients and staff, this practice follows the applicable state and federal regulations and protocols for infection control, universal personal protection, and disinfection. However, due to the nature of the procedures we provide, it may not be possible to maintain social distancing between patients, doctors, and staff at all times.

## **Patient Acknowledgement**

I acknowledge that I have read the Notice above and that I understand and accept that there is an increased risk of COVID-19 exposure with treatment during the pandemic.

I understand and accept the increased risk of COVID-19 exposure with treatment at this office.

I also acknowledge that I could, or may have, exposure to COVID-19 from outside this office and unrelated to my visit here.

I have read and understand the information stated above: Please reply with first and last name.

If you have questions or do not consent to treatment please call us at (763) 512-8500
